Sir,

Copy put up Fol 50 File in D.C.O

Adverting to Government Proceedings No. 7603-4 Z.F. 194-94 dated the 4th January 1900, Conveying sanction to the levy of an Octroi duty of 1% advalorem on sugar of all kinds (Jaggery excepted), horse-gram, bran, oats and Chaff, I have the honor to state that 'nagadum sakkare' or brown sugar which is nothing but powdered Jaggery was also considered to be a variety of sugar properly so called and duty was being collected thereon hitherto in the City

along with the other articles Some
of the merchants of the Bangalore
City recently complained that what
is ordinarily called "mogadum
Sakkare" is not sugar but only
Jaggery in a powdered State, that
that article was not consumed in
the City to any large Extent, and that
all the consignments received by
them from out-Stations are only
Exported by them to different muf.
fasil towns and that the collection
of duty on it under these circum-
-stances was a hardship to them
and should be abolished. The
question was considered by the
Board at their last meeting held
on the 28th November 1901 Both on
enquiry and personal Examination
it was found by the Commissioners

that

that what passes by the name of Nagadum sakkaré is only Joggery and not sugar and that the levy of duty on it is not justi-fiable.

I beg to submit herewith a Copy of their resolution for the favor of early orders of Government

I have the honor to be

Your most obt Servant

In reply to your letter No.1554 dated 19th ultimo, I have the honour to state that the variety of sugar commonly known as "Mogadum Sakkare" is practically jaggery and may, for purposes of octroi, be treated as such. I have published a notice that this variety will not in future be treated as sugar for purposes of octroi, and that, as such, the octroi rate of 1% imposed on sugar under this office notification No. 6556 dated 19th December 1899 will not be levied on it.
